Tryouts & Assessments Fall 2017

Tryouts and Assessments for Anchorage Youth Soccer Club are open to all players looking to join an Arsenal or Gunner team. The Coaching staff will help all players find the proper placement in one or more of our programs. AYSC offers Competitive Teams, Pre-competitive Teams, Futsal Teams, Recreational Teams, Academy Programs, and a TOPSoccer program. AYSC makes finding the proper soccer environment a priority so players can develop and learn to love the game.

Players will be contacted directly by a coach to notify them of team or program placement no later than Monday, October 9th. A complete list of our fall programs are listed on the home page of our website at www.anchorageyouthsoccer.org. All new players to AYSC will be asked to pay \$25 at tryouts to cover the State Player Registration fee for the 2016-2017 soccer year.

***All Gunner & Arsenal Teams Practice at Fox Hollow or the Dome.**

Arsenal Teams - The registration fee covers: 2 turf practices per week, team entry for UAYSL, player fees for UAYSL, State insurance fee, coaching fee, director fee, goalie training, Club overhead, and Team Training at Elite Sports Performance. Uniforms and tournaments are an additional cost. Arsenal teams will have 2 practices a week and 1 game a week.

Gunner Teams - The registration fee covers: 2 turf practices a week, team entry fees for UAYSL, player fees for UAYSL, State insurance fee, coaching fee, director fee, goalie training, Club overhead, and Team Training at Elite Sports Performance. Uniforms and tournaments are an additional cost. Gunner teams will have 2 practices a week and 1 game a week.

Uniforms – Uniforms for Gunner and Arsenal players will purchase uniforms for the 2016-18 soccer years online at Soccer.com. AYSC has a club page where you can find the required Arsenal & Gunner uniform pieces and lots of fan wear. This link is located on the team pages of our website.

Thank you again for attending AYSC's fall Tryout and Assessment and we look forward to working with your child.

Jo Reid, Technical Director
